

Add style to any space while protecting your floors with these attractive, heavy-duty, absorbent scraper mats. The raised fabric covered pattern, recessed grooves and beveled edging removes and traps dirt and moisture from feet that could cause slips and falls. The nitrile rubber base will not crack or curl and the gripper backing keeps the mat in place. The Crest-Ridge mat is ideal for indoor or outdoor use and is available in a variety of sizes and colors. Backing contains 20% recycled content
