

## **Impact Sports Mat**

**Warranty** – Durable Corporation guarantees its Impact Sport Mat rubber flooring for a period of three (3) years against deterioration due to faulty materials or workmanship.

This Guarantee does not cover damage that could occur from other abuses beyond the general intended application of the product; nor does it cover damage or deterioration caused by the use of adhesives.

No other warranty is expressed or implied. Limit of liability from any losses resulting from the use of this product shall be for the purchase only, and applied in the form of a credit, excluding any freight charges.

**Cleaning and Maintenance** - Durable mats are easy to keep clean and maintain since, in most cases, sweeping or vacuuming is all that is required to keep the mats clean. A “beater brush” vacuum works best.

More stubborn dirt and grime can be removed with warm water and mild cleaner. A mild solution of Dawn’s Dishwashing Liquid and water works extremely well when the mats are new, and if the room has less than adequate ventilation, there can be instances when sensitive noses will notice a rubber smell.

Cleaning the mats soon after installation goes a long way towards reducing the odor. We have been told that scented Pine Sol works well in this regard. There is still no substitute for proper ventilation however.

Whatever the cleaner used however, it is important to make sure all the cleaner residue is mopped up thoroughly. Cleaners containing a wax agent are not recommended, as the wax can cause a build- up.

Caution: Oil, grease, and solvents should not be left on the mats for extended periods of time. Wipe off as soon as possible and clean any residue with soap and water. **DO NOT** use petroleum-based cleaners on the mats, as these can cause deterioration.
