

Premium matting effectively traps dirt and moisture in non-carpeted areas. Built-in scraping action removes soil and water from shoes. Open slots allow air circulation and drainage. Roll back for easy cleaning with hose.

Material: Tread rails are available in aluminum with mill finish, clear anodized or duranodic bronze finish with nylon carpet tread.

Thickness: 1/2"

Nosing (optional): Beveled (BN) or Square (SN)

Colors: Call for a color chart.
