

Colors may vary from those show. Samples available.

Vibrant Colorful, stain resistant vinyl link matting can be used indoors or outdoors at entrances and lobbies for dependable floor protection. These reversible mats offer a variety of colors, patterns and custom designs. Company logos and names are easily reproduced in a block letter style. Easily maintained with a mild wash and rinse.

Material 1/2" wide x 2" long extruded vinyl links on galvanized steel rods.

Thickness 7/16"

Special Notes Available with square nosing, beveled nosing or both. Maximum width is 7'. Vylon 500C has a close weave with a link opening of 1/2" x 1/16". This mat is also available in an open weave format with a link opening of 1/2" x 1".

To Order Specify item number, size, field color, letter color, and square or beveled nosing. Submit a dimensioned sketch to show overall design and direction of traffic flow.
