

Corrugated strips scraper off dirt and debris while capret strips collect water and held dry shoe bottom. Olefin carpet strips bonded between corrugated vinyl. Design makes for soft, quiet and comfortable traffic. Use in recessed areas between two doors. Beveled nosing recommended for surface use of mat. Available with or without perforations. Easily cleaned with hose. Ideal for entrys, ramps, halls and lobbies in all environments.

**Material:** Olefin carpet between black vinyl strips.

**Thickness:** Approximately 7/16"

**Standard:** Slotted - No Perforations  
Slotted with Perforations  
Beveled Nosing
