

Static Eaze has a conductive top layer that removes static quickly. The conductive properties are consistently blended through the 1/8" thick top layer. The heavy duty rubber top stands up to heavy foot traffic and the textured surface helps to ensure non-slip footing. Exclusive molded beveled edge prevents tripping and helps to create a safe, flat working environment. The foam base provides superior anti-fatigue capabilities. The rubber top is resistant to damage from molten solder, hard chemicals and abrasion. Static Eaze has a 2-year full replacement warranty. Surface resistivity is 10^5 Ohms or less.

Material: 1/8" thick rubber tile top and a resilient 3/8" thick foam base.

Thickness: 1/2"

Surface: Smooth

Warranty: 2-year replacement warranty against defects in material and workmanship under normal usage and wear.

Note: *This warranty applies to identical replacement and does not cover damage from chairs, stools, tables or heavy equipment.*

Colors: Black

Ordering Information

Standard Sizes

Item No.	Size	Weight lbs./ea.
250S1830	18" x 30"	7
250S2436	24" x 36"	11
250S1848	18" x 48"	11
250S3664	36" x 64"	29

Cut Lengths (Up to 75')

Item No.	Size	Weight lbs./sq.ft.
250C18	18" wide	1.8
250C24	2' wide	1.8
250C36	3' wide	1.8
