

NEW!

Securely store Wheel Chocks with our new Wheel Chock Wall Hanger. Made from 12 gauge steel, powder coated black to provide maximum durability. The hanger holds all styles of wheel chocks and allows drivers to easily find and use wheel chocks as recommended by OSHA. Use with the Wheel Chock Safety Sign and Security Chain to promote safety at the loading dock area. Hangers drilled to receive 3/8" bolts.

Item #	Size	Weight
WC-Hanger	5" x 3" x 14"	2.25 lbs.
