

Heavy-duty molded rubber entrance mat is excellent for high traffic areas where extreme dirt and moisture exist. Unique deep, wide rib design traps dirt and moisture. Rib surface effectively removes debris from shoes. Hose or sweep to clean.

- Material:** SBR/EPDM rubber compound.
Surface: Deep, wide rib design with beveled edge on all sides.
Special: Heavy-duty rubber is non-staining, non-marking.
Warranty: **Standard**
Colors: Black
