

Heromat is a specialty engineered flexible PVC open grid mat for compartment protection and lining. The flexible open grid design allows drainage while protecting compartments and expensive tools from damage. Available in black and red in standard roll widths and lengths. Heromat is easily cut to fit into place. Heromat is highly chemical resistant, UV stable and inhibits the growth of bacteria. The PVC/grid design provides excellent sound absorption properties.

- Material:** 100% Virgin PVC
- Surface:** Open grid “duckboard” design
- Thickness:** 3/8”
