**DIAMOND DEK SOF SPUN**  
**INDUSTRIAL MATS**

Worker comfort and safety are provided by the Diamond Dek Sof-Spun mat. Ideal for use in factories and warehouses at workstations and assembly lines. The diamond tread resists oil and grease and will not absorb water. Mats lay flat and stay in place increasing in-plant safety. To easily maintain the mats just hose, wipe, vacuum or sweep.

**Material:** Sponge vinyl core  
**Thickness:** 3/8"
