RIDGE-WAY
ENTRANCE MATTING

The raised, fabric covered pattern removes dirt and moisture from feet at various angels. The polypropylene surface with reinforced rubber backing will not crush the pattern. Beveled edging and recessed grooves help to prevent falls and collect moisture. The nitrile rubber base will not crack or curl and the unique grippers keep the mat in place. Available with a rubber or fabric covered border. Backing contains 20% recycled content.

Material: Polypropylene fiber surface with a reinforced Nitrile rubber gripper backing. Backing contains 20% recycled content.
Thickness: 3/8”
Surface: Raised ridges
Warranty: Standard

Standard Sizes

Item No.	Size	Weight lbs. ea.
637S23	2’ x 3’	5
637S34	3’ x 4’	11
