

Excellent scraping action, multidirectional walking surface and UV stabilized to resist fading. Use in exterior or interior applications. Mat is resistant to most chemicals as well as stains and mildew. Easy maintenance and cleaning; just shake and hose down to clean. Tight weave eliminates entrapment of stones, cigarette butts and other objects. Plasticized coating keeps the mat from fraying; reducing tripping and increasing wearability.

Material: Extruded Vinyl

Thickness: Standard Duty - .47" (12mm)

Surface: Looped

Warranty: Standard

Maintenance: Shake to remove dirt

Clean with light detergent or water

Allow to dry completely

Standard Sizes - Flat Edge All Sides
