

This cost-effective rubber mat is designed for outdoor commercial use, offering superior traction and effective dirt removal. The cleated surface enhances grip for added safety, while recessed wells trap moisture and debris to help keep interior floors clean. A molded backing with built-in grippers prevents the mat from shifting. Built to withstand even the toughest outdoor conditions, it requires minimal maintenance—simply shake off or hose down to clean.

**Material:** Top quality molded rubber  
**Surface:** Raised, cleated pattern  
**Thickness:** 1/4"  
**Color:** Black

## Standard Sizes

Item #	Size	Weight
697S23BK	2' x 3'	6 lbs.
697S35BK	3' x 5'3"	16 lbs.
697S46BK	4' x 6'	28 lbs.

## ***Ideal Applications:***

### **Commercial Entrances & Doorways**

- Office buildings
- Retail stores
- Restaurants and cafés

### **Industrial & Manufacturing Facilities**

- Factory entrances
- Distribution centers

### **Institutional Settings**

- Schools and universities
- Hospitals and medical facilities
- Government buildings

### **Hospitality & Entertainment Venues**

- Hotels and resorts
- Sports stadiums
- Convention centers

Because of its heavy-duty construction, slip resistance, and ability to trap dirt and moisture, this mat is especially useful in areas exposed to the elements or heavy foot traffic.
