

Our most economical option, this sponge vinyl mat features a wide ribbed corrugated surface that provides comfort and durability for dry work areas. Designed to reduce fatigue, it offers cushioned support that helps ease strain on feet, legs, and backs—making it ideal for standing workstations in factories, warehouses, and along assembly lines. The corrugated surface not only enhances traction but also traps dirt, helping keep floors clean. Resistant to oil, grease, and water absorption, the mat lays flat and stays securely in place, enhancing safety in busy environments. With a 3/8" thick sponge vinyl core, it's easy to maintain—simply hose off, wipe down, or vacuum as needed.

Material: Sponge vinyl core, corrugated surface.
Thickness: 3/8"
Surface: Wide ribbed corrugation
Colors: Black & Gray*
 *Gray is available in full rolls only

AVAILABLE IN GRAY AND BLACK

Item No.	Size	Weight (lbs. ea.)
