

CUSHION TILE EYEWASH

SPECIALTY PRODUCT

Product Overview

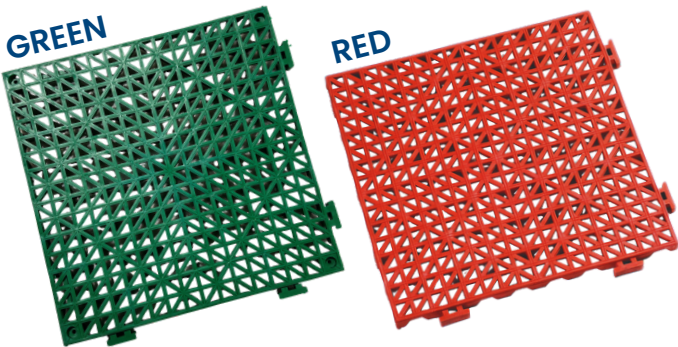

WET AREA FLOOR MAT

The bright red & green tiles & yellow bevel edges provide safety & awareness when needed most.

Our Cushion Tile Eyewash mat was designed with your safety & visibility in mind. These flexible vinyl mats conform to any uneven, wet area to create a secure, raised, slip-resistant surface, keeping your feet above a watery floor. Bright green or red tile & safety yellow ramps make the mat stand out for easy detection & maneuvering.
