

DURA TILE

ENTRANCE MATS

Product Overview

INDOOR MODULAR TILES

The attractive carpet-like surface traps dirt and absorbs moisture while providing a touch of luxury in areas of high foot traffic.

Suitable for any entrance, wall to wall floor covering, or areas where a durable heavy traffic glue down tile is required. Easily maintained with vacuum cleaner or hose. Meets Federal flammability regulations DOC FF 1-70. According to AMCIC Test, Dura-Tile exceeds the minimum char radius of 3" Average char, per 8 strips tested, .75" radius.
