

DURALOOP

ENTRANCE MATS

Product Overview

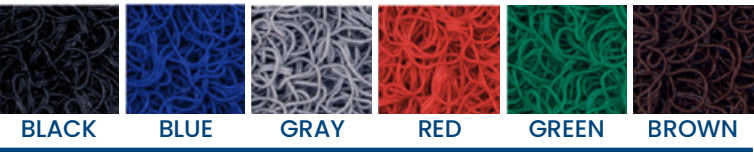

WET / DRY AREA FLOOR MAT

Keep your entryways & walkways safe, dry, & clean, indoors & out.

Designed to handle heavy traffic, long lasting Duraloop mats feature a multi-directional scraping surface with a tight weave that traps dirt while keeping debris from getting trapped. Its UV stabilized, stain & mildew resistant fibers resist fading & harsh chemicals. A plasticized coating prevents fraying & keeps edges flat to reduce tripping hazards. To clean, give it a shake, & hose down with detergent or water.
