

Environmentally friendly, made from post consumer bias-ply tires. The attractive carpet-like surface traps dirt, absorbs moisture, and protects floors while providing a touch of luxury in areas of frequent foot traffic. Easily maintained by vacuuming or a commercial carpet cleaner. Suitable for any entrance or as wall to wall floor covering. Combine with standard Dura-Tile, Rolls or Colored Dura Tile to create custom designs and layouts.

Item No: 345DTT0001

Material: Rubberized fabric strips with carpet like surface cut from recycled tires bonded to a non flammable base.

Thickness: 3/8"

Recycled Content: >95%

Packaging: 16 tiles per case. 1 tile = 1 square foot.

Color: Earthtone

Note: Meets or exceeds Federal flammability regulations CPSC-FF 1-70, 16 CFR, and ASTM D 2859-96.
