

GRAND COMFORT

ANTI-FATIGUE

Product Overview

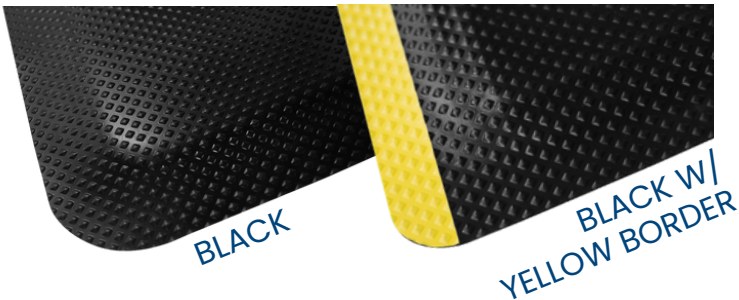

DRY AREA FLOOR MAT

Heavy Duty Rubber Anti-Fatigue Mat with embossed grid surface.

The Grand Comfort mat is your ultimate workplace accessory, designed to keep your team comfortable, safe, & energized all day long. Its 100% nitrile foam core is an impact-absorbing cushion, offering relief for tired muscles & joints during long work hours. Its textured surface & low-profile edges designed specifically to prevent accidents. Perfect for production lines, service points, & busy workstations.
