

HEROMAT

ANTI-FATIGUE

Product Overview

WET AREA FLOOR MAT

An ideal self-draining mat that protects compartments and expensive tools from damage. Highly chemical-resistant, UV-stable, and inhibits bacterial growth.

Heromat is a specialty engineered flexible PVC open grid mat for compartment protection and lining. The flexible open grid design allows drainage while protecting compartments and expensive tools from damage.

Product Features

- Material:** 100% virgin PVC
- Thickness:** Approximately 3/8"
- Surface:** Open grid "duckboard" design
- Warranty:** 3 Years
