ENTRANCE MATS

Product Overview

CUSTOM VINYL LINK FLOOR MATS

Our in-house designers will take your image and logo and provide you with a free digital scale drawing for review, along with a firm quotation.

BF Hurley Luxo Link Mats by Durable Corporation provide superior quality, durability and longevity. Luxo Link Mats reduce dirt and wear on your floors while promoting safety under foot. Our beveled edge prevents trips and falls while providing easy access for carts and wheelchairs. Luxo Link Mats are also available with a square edge for recessed flooring applications.

Product Features

Material:	90 Durometer flexible PVC Links, Anti-Fungal with UV additive woven on Galvanized Steel Wires
Thickness:	7/16" approximate
Options:	Bevel Nosing (BN) or Square Nosing (SN)
