

STOP N DRY

ENTRANCE MATS

Product Overview

INDOOR RUBBER BACKED FLOOR MAT

Stop N Dry is a needle-punch PET fiber carpet mat with a raised design surface, a smooth rubber back, and a beveled edge.

The tufted, raised square design effectively scrapes debris & moisture from foot traffic. The raised rubber beneath squares prevents crushing over time. Its heavy-duty SBR border traps dirt & moisture to keep your floors clean & safe. Stop N Dry is easily cleaned by vacuuming or spraying with a hose.

Product Features

- Material:** Solution-dyed PET (polyethylene terephthalate) with SBR smooth rubber backing and Beveled Edge
- Thickness:** 3/8"
- Surface:** Raised square grid pattern
