

VYNAGRIP

ANTI-FATIGUE

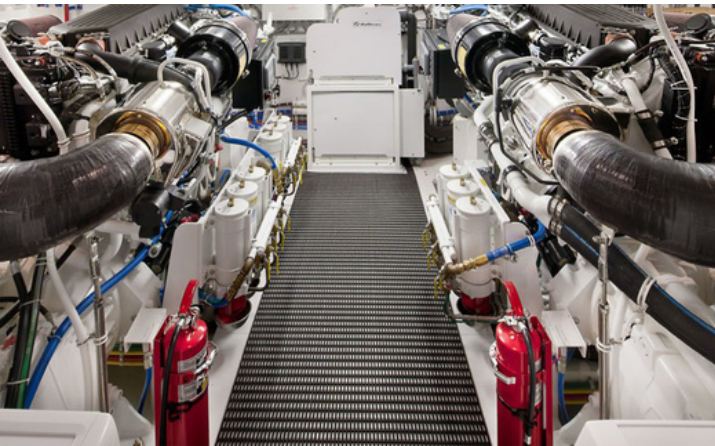

Product Overview

WET AREA FLOOR MAT

The ultimate non-skid drainage mat. Vynagrip is designed for temp range of -9F to +140F, and has a diamond tread pattern. Perfect for walk in coolers and freezers.

The open grid surface quickly removes liquid and debris. With its proven anti-fatigue properties Vynagrip is exceptionally hard wearing. It is also chemical, oil and acid resistant. Welded together joints offer extra strength. In addition, Vynagrip is hygienic, easy to clean and provides cushioning, and noise reducing properties.
