DIAMOND DEK ULTRA SAFE INDUSTRIAL MATS

Polyurethane top coated mat provides the same outstanding resistance to abrasion and chemicals as the standard Ultra Safe. The diamond tread surface provides exceptional comfort to minimize leg fatigue. 100% chemically blown, polyvinyl chloride foam with a surface coating of heavy duty polyurethane provides durable, extended service and easy maintenance.

Material: Sponge vinyl core with polyurethane coated surface
Thickness: 3/8"
Surface: Diamond tread urethane coated
Color: Black with yellow border
